I've been doing this a while, and policies about this aren't worth the token Alex is minting
if that's even the right vernacular
well Rachel and who
I just put up two new Marketing positions for Katie fyi, so that's two more bodies
plus Discord Community Manager, plus Sr. Product Web3/social stuff

Janine Yorio 5:05 PM
how'd you know rachel?

Kathy Yost 5:06 PM
there's only a handful of women I figure Jacqueline has her hands full, Katie doesn't have time for a man
or woman
Julia, I don't see her involved at work like that openly but I have no clue so that leaves rachel
I mean Virginia might have game
but she's married
and as much as I try to call out bias, I suppose it could be two men
see i mess up all the time

Janine Yorio 5:21 PM
it's rachel
